

**CANDIDATE FOR DIRECTOR
BIG BEAR MUNICIPAL WATER DISTRICT, DIVISION 2**

NAME: RALPH WALKER

OCCUPATION: Retired

I have been a Big Bear resident for about thirty years, during which time I have been very active in local government. I served on the Big Bear Municipal Water District's Board of Directors (MWD) from 1986 to 1990. Since that time, I served for four years on the Big Bear Lake City Council, three years on the BBARWA Board and three years on the Marta Board. Before retiring, I worked for 27 years for the State of California. I feel that my work experience, along with my previous service on local Boards, makes me the best candidate to fill the vacancy in Division 2. I already have a good understanding of the many issues facing the MWD, especially the in-lieu water program and the lake accounting procedures. I have closely followed the MWD's activities over the past few years, and have only praise for the progress that has been made in addressing the Lake's aquatic plant problems, completing necessary dam repairs, improving the Lake's water quality and maintaining a safe recreational environment. I ask that you give me your support, and the opportunity to bring my valuable experience to this position.
